South End C. D. Volunteers Face Raid Test Tonight

Drill Will Start Promptly At 7:30 P. M.

A test of civilian defense workers in the south end of Daly City, the Colma district, and Garden Village tonight at 7:30 p. m. will wind up a series of three air raid drills for local volunteers ordered by the Civilian Defense Council.

Imaginary bombing attacks, incendiary fires and other war incidents will be telephoned into the control center in the city hall tonight, and all services, south of Citrus avenue, will be called out to combat them. The drill will start promptly at 7:30 p. m., and all sector leaders in that territory were ordered to notify their volunteers.

Incidents are being prepared in secret by Captain Albert Sundstrom, fire department dispatcher in the control center, and Harry Melicker, chief air raid warden for the local defense council.

William P. Bolger, desk sergeant for the Daly City Police department, was appointed Monday, to fill the vacancy left by Sergeant W. W. Sunderland as police dispatcher at the control center. Sergeant Sunderland left, last week, for San Diego for a naval training course. Bolger will be on hand for tonight's drill at the control center, while Officer Walter Davis will take over the auxiliary group formerly headed by Bolger.

The test has been preceded for the past two weeks by air raid

Company B Drills Sunday Mornings

Transforming Daly City into a wartime community with nearly everyone doing a job for the war is practically 100 per cent now, and Company B of the California State Militia has had a prominent part in the change.

Every Sunday morning, Company B, whose roster is composed of Daly City men, holds drill at Marchbank park for a two hour session of marching and rifle manual. The guardsmen drill from 10 a. m. to 12 noon on Sundays, and

How Many Books Have You Donated?

Mrs. Jean O'Rourk, librarian, reported, this week, that Daly City is turning in approximately ten books each day at the local library, 6351 Mission street, for the 1943 Victory Book Campaign. She lauded the type of book which is being contributed this year. Most of the volumes turned in to date are in good physical condition and high in reader interest.

As fast as they are received, the books are cleaned and shellacked by Mrs. O'Rourk and prepared for mailing to distribution headquarters.

As an added inducement for civilians to get behind this important drive, West Coast USO Regional Director George F. Hamilton, pointed out that these books will reach even service men overseas, since the drive itself originated at the request of Navy and Army

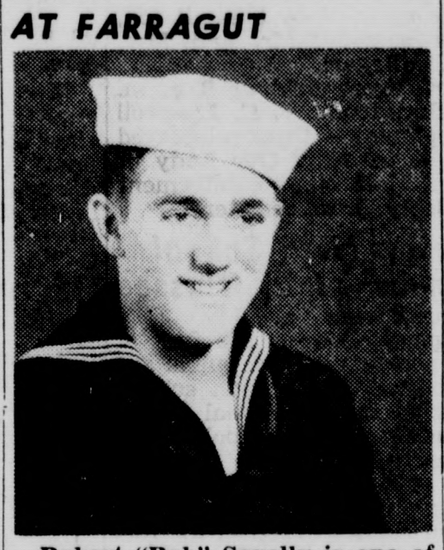
Ninth Annual Ball To Be Held May 8

The Ninth Annual Ball, given by the Widows' and Orphans' association of the Daly City Fire department will be held, Saturday evening, May 8 at Colombo hall, it was announced by Fire Chief A. P. Chesney, this week.

Popular on the calendar of social events in this community every year, the firemen's ball is a benefit dance for widows and orphans of Daly City firemen. Tickets will go on sale some time this month, Chief Chesney said. Other preliminary plans for the evening's entertainment will soon begin, following the naming of committees.

AT FARRAGUT



Robert "Bob" Savelly is one of the many Daly City men training at Farragut, Idaho, for duty with the U. S. Navy.

Savelly, son of Mrs. Nadine Savelly, 3235 San Jose avenue, left for the naval training station in September. He has a wide circle of friends among the younger people of the community. A recent graduate of Jefferson Union high school, he is remembered as an outstanding basketball player.

Only One Soldier-- But What A Riot!

After staging a one-man riot with Daly City police, Sunday night, beginning in Mission circle and ending amid broken chairs, and chair legs, in police headquarters, John "Tiger" Nixon, Fort McDowell soldier, was turned over to Military Police, Monday, to answer to commanding officers.

Further complications arose when Nixon created such a brawl in the back seat of the police car enroute to headquarters, that pedestrian, John Clark, 243 Los Banos avenue, was struck by the patrol car. He was taken to the Villa hospital in the city ambulance and treated for injuries to the hip.

Officers removed Nixon from Hilltop tavern where James Crudo, proprietor, complained that he was creating a disturbance. When outside, Nixon ran down the hill to a vacant lot in Mission circle. Police took him to headquarters with Nixon swinging wildly at the officers.

After he was booked, Nixon tried to break away from the desk officer, and ran into the inner office of the police chief. Picking up a chair, Nixon threw it at the officer but missed. So he threw another chair. Then the officer took over, grabbing Nixon and dragging him out in the hall where the other officers were summoned. He was jailed on a charge of disturbing the peace, later being released to the Military Police detachment.

Jefferson High School Continues Night Classes

Examine Selectees For Military Duty

Twenty-one young men from Daly City and Colma were among a large contingent of 82 selectees from Daly City Draft Board No. 103 who were examined for military duty, Monday, in San Francisco.

Results of the physical examinations were not available immediately, according to Mrs. Isabelle Flynn, local clerk. All papers have not yet been returned.

Daly City men numbered fourteen in the examination contingent, while seven of the group were from Colma. A large group of selectees, 30 in all, came from South San Francisco. Showing an unusual number from points outside the local board area, the list named seventeen transfers from other boards among the selectees. Other communities from the board area supplying selectees were: San Francisco, ten; San Bruno, one; Brisbane, two; and Bayshore, one.

Victory Gardeners May Get Reduction In Water Rates

Council Calls Special Meeting To Lay Plans

Reduction of water rates for residents who are raising Victory gardens appeared possible in Daly City, Monday, when the city council called a special meeting with the water department for next week to discuss plans on the measure.

Councilman Edmund Cavagnaro, who brought the plan to the board's attention two weeks ago, renewed his measure, Monday night, for further discussion. In making water rates easier on the resident who raises fresh vegetables to offset national food shortages, the council has made a study of similar cuts in San Francisco and East Bay cities. Many victory garden growers in Daly City have shown interest in seeing their water rates reduced.

The council will meet with the water department, next Monday, to work out a plan for rate reduction and still be able to balance the department's budget.

At this week's meeting, a resolution from the Board of Fire Commissioners asked for compensation to city employees who answer fire calls outside their working hours. However, City Attorney F. E. Hoffman informed the council that this particular type of compensation could not be authorized.

Sergeant W. W. Sunderland, of the Daly City Police department, was granted a leave of absence to enable him to begin training with the United States Navy.

Shoe Rationing Now In Effect Here

More blessings (and a bit of envy, weather permitting) were placed on John Greenleaf Whittier's "little man," the "barefoot boy with cheeks of tan," this week as the OPA put all shoes under rationing restrictions, effective Tuesday.

Designed to eliminate fancy footwear and overbuying, the shoe rationing will not leave us shoeless, however. Three pairs of shoes a year for every man, woman and child is the limit, according to OPA regulations. However, the family may pool their coupons to allow for one member of the family who may need more than another member.

The OPA has ordered manufacturers to stop production on ladies' evening slippers, men's patent leather shoes, two-tone shoes, and several special sportswear types to provide for better use of the leather supply.

The restrictions are placed on the buying of all shoes containing

Colma Council Names Attorney

Charles J. Gebhardt, Burlingame attorney, was named the new city attorney for the Town of Colma, Monday morning. He was appointed by the town council at their regular meeting.

Gebhardt, who makes his home in South San Francisco, fills a vacancy in Colma's legal department created by the resignation of R. L. Ariani, former city attorney. Gebhardt practices law in Burlingame, and he joins the Colma organization with high recommendations from Burlingame.

The appointment was the major business transacted by the council

Lumber and nails,
A chair or two,
Tables and books,
Or what have you?

Daly City has just received a list from Dan Cupid. Is it a list for friends and relatives? For sweethearts and wives? Well, no, it isn't, but it's a very important list and we feel sure Daly City will want to know its contents and then do its share to supply the needed equipment.

This community has an opportunity to observe Valentine's Day by playing Lady Bountiful to a group of soldiers stationed near Daly City. For reasons known to all readers of the censorship code, how many men and where, can't be reported here. But, you'll just have to take our word for it that "soldiers stationed near Daly City" are badly in need of a helping hand from this community, which they are, of course, helping to protect.

Here's the problem: there is no USO in Daly City; there is no stage door canteen; there are few recreation centers of any type. The only possible and immediate solution is to help the boys build their own recreation hall. They'll do the work and pick up any donated supplies.

Lieutenant G. R. Atkinson, in charge of the project, reports that some lumber is needed to augment what the men have been able to scout up to start construction of the hall. All types of chairs, card tables, desks, games, books, and other furnishings are needed for the center.

Patriotic local people who would like to participate in sending a valentine (be it 2x4s or six novels) to the boys, may do so by writing or phoning The Daly City Record, 3317 San Jose avenue, RAndolph 3215. We will turn your name and address over to Lieutenant Atkinson who will arrange to pick up your donation.

No money can be donated due to army regulations, but of course there's nothing to prevent your spending the money on things needed for the recreation center.

Jeff Cagers Tangle With San Jose Today

A squad of eight varsity cagers and Coach Elman Rose of Jefferson Union high school will travel to San Jose, today, to tangle with San Jose high in a basketball game that looms as Jefferson's toughest game of the season.

San Jose, now holding down a corner of a three-way tie for first place with Palo Alto and Burlingame in the PAL pennant race,

Registration Week, "Freeze" Period Will Be Feb. 22-27

Designate Three Schools To Handle Distribution

Definite dates for the distribution of War Rationing Book No. 2 have finally been set. The week of February 22-27 inclusive will be registration week in Daly City, and three local grammar schools will handle the signup, according to R. L. Crane jr., district superintendent of schools.

During the week the books are distributed, "freeze week" will simultaneously be in effect and no local stores will sell canned or bottled fruits, vegetables, and juices. Actual rationing will begin upon completion of the registration, which ends Saturday evening, February 27.

Every person, including infants, will be eligible for the new books, but consumers will have to declare their supply of rationed foods as of the "freezing date" and coupons will be removed from the books for all excess supplies on hand. Each family is permitted a stock of 5 cans per person, for which no points will be taken.

Schools handling the signup will include Woodrow Wilson primary, 43 Miriam street; Crocker school, 649 Bellevue avenue, and Jefferson elementary, 14 Alemany street. Teachers and volunteer

Add Eight Members To Rationing Board

Eight new members will be added to War Price and Rationing Board No. 31-3 to increase the personnel to twenty, the board announced today.

Increase of duties, with more articles being placed on rationing lists every day, makes it necessary for more members to serve on the board for the northern end of the county. Names have been submitted to the OPA and the board is now awaiting approval.

Raymond Daba, board member and South San Francisco attorney, was named co-ordinator of the newly organized Community Service committee established jointly by local civilian defense councils and the OPA. Designed to serve their individual communities, the

Colma Under S. F. Post Office Now

With the recent change in placing the Colma post office under jurisdiction of the San Francisco district, Colma officials announced this week, new territories served by carrier mail delivery.

All mail to addresses south of Westlake avenue and Gambetta street will be delivered from the Colma station. Two carriers will be on duty in that territory, and one delivery a day will be made. Carriers will deliver as far south as San Pedro road.

Although addresses below San Pedro road will be under service of the Colma station, and need only the two cent postage rate, they will not be reached by carriers. This includes residents living east of Hillside boulevard, south of San Pedro road, and west of the Southern Pacific railroad tracks. They will still be served by post office box.

However, the Garden Village area of Colma proper will be reached by the carriers.

Letters may be postmarked "Colma" and reach their destination.

"The Black Swan" Opens At Daly City

Tyrone Power, Maureen O'Hara Star In Film

The master story-teller's most exciting story of the sea, Rafael Sabatini's "The Black Swan," has been translated by 20th Century-Fox into a rousing adventure film. Said to retain all the lusty tang of the book, the film looms all the more glorious, in its swashbuckling way, thanks to the gift of blazing Technicolor.

Starring Tyrone Power and Maureen O'Hara, the film opens tonight at the Daly City theatre and features a cast fully equal in magnitude to the richness of the story—Laird Cregar, Thomas Mitchell, George Sanders, Anthony Quinn, George Zucco and hundreds of others.

Rafael Sabatini's breath-taking tale is a classic, of course. The book has yet to be written that can match "The Black Swan" in virility, in the tempestuousness of its romance, the break-neck pace of its turbulent action, the fury of its stirring characters.

And the story's offspring, the motion picture? Well, the word "motion" would seem to hold the answer. Tales that live between covers of a book, almost breathe to millions when endowed with the scope and movement of the screen.

The film's story is known to virtually all. It holds a nautical telescope, so to speak, over the whole era when villainy wore a sash and cutlass, and the only political creed in the world was love, gold and adventure. It tells the saga of the freebooters, those bold seafarers turned loose by greedy princes to waylay other greedy princes.

The dashing role of Captain James Waring, a buccaneer who plunders a ship's prize or lady's lips with equal abandon, would seem to be tailor-made for Power. And who better for his two-fisted brother brigands of the sea than the cinema's most hissable character actors—Laird Cregar, Thomas Mitchell, George Sanders, Anthony Quinn and George Zucco? Incidentally, "The Black Swan" marks the first pairing of Power and Miss O'Hara.

Stanford Alumni Meet In San Francisco

The eleventh annual Stanford Alumni conference was held at the Fairmont hotel in San Francisco, Sunday. Several hundred graduates and former students from all parts of the state attended the affair.

Four panels with the general theme, "Horizons of Tomorrow," were held.

All delegates to the conference attended the luncheon which was addressed by Frank Walker the financial vice-president of the university. The closing event of the day was the dinner at which "Human Values in Planning" were discussed by Lewis Mumford.

Principal James Ferguson of Jefferson Union high school and Clive M. Saiz of the faculty attended the day's session.

"Bob" Christian Writes To Record Editor

An editor's life (as any editor will tell you at the drop of a hat) is not always pleasant. But it has its moments! And one of the best of such moments is when some reader voices appreciation for the paper.

This week, The Record received a note from Robert "Bob" Christian, who is now a coxswain in the United States Navy, telling of his enthusiasm at receiving the hometown paper across the continent at Camp Brandford, Norfolk, Virginia, where he is in training.

Christian is well-known in Daly City, where he was graduated from Jefferson Union high school in 1936. He is the son of Mrs. Alice Christian, 137 Flournoy street. In 1941 the baseball team of which Christian was manager won the labor league championship. He managed the Warehousemen's ball team, local 860.

AT DALY CITY

LOVE, gold and adventure, it is said, were all that interested pirates. And in this scene from Rafael Sabatini's "The Black Swan," now at the Daly City theatre, Tyrone Power seems to be concentrating on the former—to the consternation of Maureen O'Hara, who is starred with him in 20th Century-Fox's Technicolor adventure film.

Sons Of Legion Hear Australian

The Sons of the American Legion heard Engineer Officer J. J. Hutt of the Australian Naval auxiliary, at their meeting, January 27. He gave a talk on Australia. Henry King, one of the fathers, was able to secure Hutt, who has been very busy working on special work for the Australian government here in the United States.

According to Hutt, in 1938 when the war began to appear as an eventuality, Australia started to prepare. There is no Australian now who is not doing his part. School children are selling bonds and collecting scrap, while all others are in some defense factory. Women between the ages of 18 and 35 are drafted for special military work, while men between 18 and 45 are called for military duty. Men who have retired are being called back to work in factories.

For 100 miles from the coast everything is blacked out. Night life still continues, however. The theatres remain open. Sydney has about three night clubs, to Hutt's knowledge the only ones in all of Australia.

The only serious shortage which the Australians have is manpower. There is no critical food shortage, but food is rationed. One thing Australia is rationing that is not yet being rationed in the United States is clothes.

Hutt holds one grudge against the American soldiers. When he came to the United States he left a girl there. Well—the Army landed, and a Captain took over!

any leather and all rubber-soled shoes. Slippers, soft-soled baby shoes, or storm wear (rubbers and galoshes) are not included in the rationing.

War Ration Book One (the sugar book) will be used in purchasing shoes, the first shoe stamp being No. 17, and it will be valid until June 15.

Like all other local units, the War Price and Rationing Board No. 31-3, 473 Grande avenue, South San Francisco, will have the authority to issue special certificates to expectant mothers, victims of fire or theft, police officers, or any others requiring additional footwear for work requiring unusual walking.

Ration stamps should be enclosed with mail orders for shoes.

The local panel of the rationing board, which consists of Claude Cattori, vice-chairman, Mrs. J. Ledterman, and Charles Suendermann, now meets for local residents, Saturday mornings from 9 a. m. to 12 noon at the Jefferson Annex school, San Pedro road, Colma.

She is survived by a small son, and her parents, Mr. and Mrs. Charles Callegari.

Jefferson High School Continues Night Classes

(Continued from Page 1)

7 to 9 p. m. Courses are free of charge, and more night pupils are being sought by the high school. Specializing in commercial courses for adults, night school teachers cover much of the work in the day school curriculum.

Among the valuable courses taught at night is English for foreign speaking people. The course has been very effective in teaching new residents of this country to speak the English language properly.

Other courses at night school are arts and crafts, photography, shorthand and typing, bookkeeping, mimeographing, office machine calculation, and Americanization.

Anyone who is interested may find further information at the high school on Tuesday and Thursday evenings.

Mischa Elman Gives SF Concert, Sunday

Mischa Elman, one of the world's most beloved violinists, comes to the War Memorial opera house, Sunday afternoon, February 14, in the regular series of the Opera association.

Elman's artistry, which has continued unflaggingly for a generation, was first heard in this country when Oscar Hammerstein brought him from triumphs in Europe to astound New York audiences at the Old Manhattan Opera House in 1908. Elman played with the Boston Symphony orchestra at his debut.

Elman recently returned from his last trip to South America with glowing reports of the great receptivity of audiences there. "I came away with a great enthusiasm for the South Americans. Rio can be called the 'Paris of the western hemisphere.' The people who fill the concert halls are keenly musical and their responsiveness has the charm of spontaneity."

He went on to warn, however, that they are also discriminating and sensitive to personalities. "If they don't like it, it is just too bad for the artist," Elman said. "They hate pretense and love simplicity and though they are basically friendly, they have a great deal of dignity."

Tickets for the concert are now on sale at the Opera box office, Sherman, Clay and company, EXbrook 8585.

Volunteers Face Raid Test Tonight

(Continued from Page 1)

drills in two other sections of the city, the first of which involved ten sectors, located in the Crocker tract.

Last week's drill involved the next ten sectors, taking in most of the Mission street business district, Hillside boulevard and the west side. Ten incidents were completed by volunteers in that area, consisting mostly of "fires" caused by incendiaries. Regular companies 1 and 2 of the Daly City Fire department were called out, along with the auxiliary units of companies 1, 2, and 3.

A "poison gas" attack on Hillside boulevard was combated by volunteers in gas masks and the local gas decontamination squad, directed by R. L. Gray, senior gas officer. Another major incident was a "bombing" at the San Jose avenue-Bepler street intersection.

HOLIDAY TOMORROW

Daly City school children will join employees and officials of local banks and city offices in the observance of Abraham Lincoln's birthday, tomorrow, as a national holiday.

No celebration is planned but all schools will be closed, including Jefferson Union high school, grammar schools in the Jefferson district, and Perpetual Help parochial school.

Both the Colma and Daly City branches of the Bank of America will be closed all day to observe the legal holiday. All city offices in the city hall will be closed, tomorrow, with the exception of the Daly City Police department. The only other office open in the city hall tomorrow will be Daly City Draft Board 103.

BASKETBALL GAME

On tap for local basketball fans, tonight, will be a game at Jefferson Union high school gymnasium between the Rebels, local independent team, and Bethlehem Steel of South San Francisco in a league game on the Jefferson Night School league schedule. The game will get under way at 7:15 p. m.

The night school league games are featured every Tuesday and Thursday nights at the gymnasium and are open to the public. Eight teams, some of which represent industrial firms and other town teams, make up the league. The circuit is sponsored by Elman Rose and Glenn South, athletic directors of Jefferson Union high school.

BEAT TEACHERS

In an overtime basketball thriller, 130 pound class basketballers of Jefferson high put the Indian sign on their teachers (in basketball, anyway) when they outpointed a faculty team, 38-36, on the gymnasium floor, last Wednesday.

The game ended in a 32-32 tie, making it necessary for overtime play, and the thirties came out on top after the five minute overtime period ended. The feature attraction was attended by a large audience of high school students for the benefit of the Athletic Injury fund. Spectators were charged a nominal admission.

Company B Drills Sunday Mornings

(Continued from Page 1)

local citizens are invited to see the drills.

Precision marching and rifle drill of the local volunteers are carried out skillfully by the more experienced men. In another spot fundamentals are being taught new recruits.

Company B also took part in the recent Grand Review of the whole Seventeenth regiment, held at the State Armory in San Francisco. Consul generals of all the countries of the United Nations were guests of honor at the military show.

Any local men who wish to apply for membership with Company B may do so by going to their Daly City headquarters, 101 Parkview avenue. Headquarters are open every evening during the week from 8 to 10 p. m.

authorities. Individuals can no longer send books overseas to friends or relatives due to Army postal regulations, but donations to the Victory Book campaign will still get there.

The campaign continues until March 5 and all are urged to donate, as it has been found that good books add a great deal of pleasure to the hours spent by service men at USO centers, army camps, and overseas bases.

It was again reiterated that no "junk" is wanted in this drive. This campaign is to secure books that anyone might be proud of contributing and that the boys will really enjoy reading.

BOOK NO. 2

(Continued from Page 1)

registrars from the P. T. A. units will handle the task. Hours will be from 9 a. m. to 7 p. m. each day.

According to regional OPA headquarters, in order to get Book 2, Mrs. Housewife must follow this procedure:

She fills out a Consumer's Declaration form, on which she will record the total number of cans of rationed food she has on hand on the "freezing date." She will not be required to specify the various kinds of food on hand—merely the total number of cans.

She will use only on blank, listing the names of all members of her family. After signing this form, she will present it to the registrar at her neighborhood school, together with the War Ration Books No. 1 issued to all members of her family.

Declaration forms may be available in advance at War Price and Rationing boards and at most grocery stores. If so, consumers are urged to complete these declaration forms at home to save time at registration sites.

Coffee also must be declared and stamps for all coffee over the allowed amount will be removed from War Book No. 1 which will continue to serve as coffee-sugar books.

Housewives should remember that all home-preserved foods including vegetables and fruits are exempt from rationing. They may retain on hand any amount, and they need not report them in their declarations.

Our 2000th is a Woman

SINCE PEARL HARBOR more than two thousand proud "good-byes" have been said to employees of this Company entering the military services.

Early this month it was "good-bye and good luck" to Miss Violet Hooe of the Service Department in Oakland. When Miss Hooe enlisted in the SPARS—United States Coast Guard—she became the two thousandth employee to join up.

In July, 1942, William J. Hickey, steam plant engineer, changed to Navy blue as Boatswain's Mate—Second Class. At that time he was the thousandth employee who had gone to war.

Two thousand young men and women means at least one out of every six of this company's employees are now on war duty. Two thousand means an average of one hundred and fifty employees each month have gone "on assignment" to the most important job in the world today.

Good-bye and good luck. When the job of beating the Axis is finished—come back to us. Your service record, your job seniority and your interests in the company's old-age retirement plan will be preserved intact and waiting for you. That is the farewell pledge of your company.

Congressman Anderson To Investigate Guayule

Congressman Jack Anderson, representing this district in Congress, has been appointed chairman of a new sub-committee to investigate methods used in the leasing of land for the Guayule rubber project, according to word received from the congressman, this week. Anderson was the father of the Guayule project in Congress, and was instrumental in getting the government to start the rubber project in the Salinas alley.

The congressman reports that the U. S. Forestry Service is handling the Guayule land leasing program, and that there have been complaints that valuable irrigated land has been taken over by the government for the project. The complaints allege, Anderson says, that this land is sorely needed for the production of essential food crops. He adds that his committee is holding hearings in Washington in an effort to iron out the difficulties.

In addition, the congressman reports, sub-committees have been appointed in the House for a thorough investigation of the rationing program. Congressman Elliott of California, he says, has been named chairman of the committee to investigate the meat shortage now prevalent.

Five Minutes earlier for your health's sake

Did you ever stop to think how much our efficiency depends on breakfast? From a physiological standpoint, our mental and physical efficiency gets under way at the breakfast table. In these speedy days, however, this morning meal seems to be becoming a lost custom. A cup of coffee and a sliver of toast eaten on the run make up the breakfast menu of a majority of people.

Such a kind of morning start lops off a good portion of our efficiency and takes its toll in many other ways, too. It is bad enough in normal times, but now that each of us is shouldering more responsibility, slighting this all-important morning meal is personal sabotage.

If cutting down on breakfast is a question of time, and it usually is, then set the alarm for a little earlier than usual and take time for a nourishing meal. Much of the preparation can be done the night before such as having table set, the batter with the exception of melted shortening mixed for hot cakes, waffles, or muffins, or having the biscuits waiting in the refrigerator.

PATTERN FOR BREAKFAST—If your breakfast pattern has been upset by the rationing program, remember that this meal can still be a well-balanced one. Fruit, cereal, bread in some form and that one cup of coffee supply energy, vitamins, minerals, calories, and that grand satisfied feeling.

FRUITS—Whole fruits such as sliced oranges or baked apples are more filling and have more lasting qualities than fruit juices. Unstrained juices have the same advantage over strained juices. Vary the fruit in some way each day, and don't have too many repeaters. For example, serve apples baked, as a sauce, or fried.

CEREALS—There's a kind for every taste. Vary them from time to time for interest, and alternate cooked cereals with ready-to-serve ones. Molasses, honey, corn syrup, maple-flavored syrup and fruits and fruit sauces add a pleasant change to cereals, and help the sugar bowl too.

BREAKFAST BREAD — Toast is the morning standby, but here, variety is welcome also. Serve toast plain, as French toast, cinnamon toast, or toasted jelly sandwiches. Enriched bread gives extra vitamins that we all can use. Hot breads, hot cakes, waffles, and hot rolls are hearty and are a bit more filling than toast.

Why and How to Starch Cottons

Cotton shirts, blouses, children's clothes, tableware and so many other things are usually better off with a bit of starch because it replaces that new, fresh finish, and clothes stay clean much longer. Starched things shed dust and dirt, not only protecting the surface, but protecting the fabric as well.

FOLLOW DIRECTIONS — There are many kinds of starches on the market, each with its own directions. Follow them and measure accurately both the water and starch for best, professional-looking results.

HOW TO STARCH — After the last rinse, wring articles out, shake them to remove folds, turn garments inside out, and immerse them in the starch water, lifting them up and down so that the starch penetrates the fabric evenly. If stiffer collars and cuffs are desired, gather them together and dip in a heavier starch solution. Wring moderately.

Hang to dry thoroughly or roll up while slightly damp to be ironed within a short time.

When ready to iron, have articles slightly and uniformly damp, and the iron hot. This keeps the iron from sticking. And unless there's embroidery or lace patterns to be brought out, iron them on the right side for that professional finish.

Volunteers Asked To Call Mrs. Hanelt

Block mothers for each block in Daly City are urgently needed. An appeal for volunteers was made, today, by Mrs. Adele Hanelt, 328 Winchester street. She is in charge of organizing Daly City.

Three patriotic ladies, each one a housewife with the care of a family, have answered the call, and have offered their services in case of an emergency. They are Mrs. S. G. Bryant, 559 San Diego avenue, Mrs. Lyal Ingersoll, 439 Crocker avenue and Mrs. James Mullins, 960 Hanover street.

Mrs. Mullins serves as a day warden. Her husband is senior air raid warden of Sector 6.

All women who wish to donate their services in the protection of Daly City children in the event of an air raid, are asked to contact Mrs. Hanelt, DElaware 7984. Mrs. Hanelt will be glad to furnish any information about the duties involved.

ENTERTAIN SONS

Mr. and Mrs. A. Widasky, 41 East Lake avenue, recently entertained their two sons who were home on furloughs for the first time since joining the armed forces.

Alvin, the eldest, is a sergeant in the Tank corps and has been in the Army for three years. Raymond, the younger son, was just recently inducted into the army.

Both boys are well-known to the younger set of Daly City, where they attended both grammar and high school.

Their sister, Mrs. Ted Hopman, entertained them at a family dinner, February 3. The family gathering was held at her home, 27 Gambetta street.

Over $1,000 in war stamps have been purchased by pupils of Woodrow Wilson school during the four month period from September 29 to January 27. In their effort to contribute to the financing of the war, Woodrow pupils bought $1,093.30 worth of stamps, according to recent figures.

A Filling For February

By Frances Lee Barton

HERE is a tasty filling for a layer cake, that contains but four ingredients, and all may be procured quite easily. The recipe is simplicity itself, yet the result is fit for a king. And don't let the title of this little feature fool you, because this filling is just as appropriate and equally delicious for any month of the year. All I ask is that you try it once and be your own judge.

Jellied Raspberry Filling
(For layer cake)

1 package raspberry-flavored gelatin; 1¾ cups hot berry juice and water; 1 cup sugar; 2 cups canned red raspberries.

Dissolve gelatin in hot berry juice and water. Add sugar and berries. Chill, stirring occasionally. Turn into pan the same size as layers of cake. Chill until firm. Unmold on one cake layer. Place other layer on top and cover with whipped cream.

Hot Mulled Tomato Juice

is suggested as refreshment beverage

by Dorothy Greig

WITH coffee rationing to be reckoned with, from now on we probably aren't going to be as open handed with coffee as a refreshment beverage. The competition will rather be to see who can serve the

most delicious punch or other hot drink. And my guess is that, since we are an ingenious people, we will evolve many a delectable and heartening beverage before the matter ends.

As one contender for honors, let me suggest this pungent and spicy Hot Mulled Tomato Juice. It's enough to put even a quiet evening foursome of bridge in cheering mood:

Hot Mulled Tomato Juice

- 5 cups tomato juice
- 6 tablespoons medium brown sugar
- 6 whole cloves
- 2 sticks cinnamon, about 3 inches long
- 4 slices lemon

Combine all ingredients, bring to a slow boil and simmer for five minutes. Strain, serve hot from a large bowl or thermos pitcher with thin slices of lemon and orange floating on top. Makes 1¼ quarts hot mulled tomato juice.

ABOUT TOWN

Ten - year - old **Joan Hughes,** daughter of Mr. and Mrs. James B. Hughes, 134 Moltke street, flew to Long Beach, Saturday. She is visiting her uncle, who is an ensign in the U. S. Navy, at Wilmington. She also plans to visit some of the high spots in Los Angeles and Hollywood and will return home, Saturday, February 13, via the Southern Pacific Daylight.

WAR STAMPS ARE SWEET AND SO ARE YOU

Valentine's Day, 1943, is almost upon us and we wonder whether the lace hearts of yore will give way to something a shade more timely. Instead of chocolates, a nice new lunch-pail for the girl-friend in the war plant. Instead of roses, an assortment of vegetable seedings for mother's Victory Garden. Folks in the cities can give a pint of their heart's blood to a Blood Bank. There's a Valentine for a boy in service that would really mean something. And if you're not in the vicinity of a Blood Bank, a Victory Gardener or a lady welder, there's one remembrance that everybody can give anybody—how about a cluster of War Stamps for your Valentine?

ABRAHAM LINCOLN

In the midst of a global war for human liberty, we Americans honor, this week, the birthday of one of our greatest men—a martyred president who dedicated his life to freedom, justice and equality.

One hundred and thirty-four years ago—on February 12, 1809—Abraham Lincoln was born in a log cabin in Kentucky.

Because he believed in liberty and human equality, he was forced to lead his country through a trying war—a cruel civil war to preserve a nation "conceived in liberty and dedicated to the proposition that all men are created equal."

Today that nation is fighting again for its survival. And an enemy that mocks equality and would substitute slavery for freedom seeks ruthlessly to destroy the Union that Abraham Lincoln struggled to keep together.

Never before in all our history are the ideals of Lincoln more vital than they are to us today in the midst of the grim warfare in which we are engaged. And the principles for which he fought are principles we are defending now.

With barbaric abandon, our enemies have destroyed freedom and equality among the little people of ill-fated Europe. Not content with that, they have turned on us, trying desperately to crush us from within as well as from without.

Preaching inequality with bigotries and prejudices, they are trying to divide us as did the seditionists of Lincoln's day—to turn the whites against the Negroes, the worker against the employer, Christians against Jews, class against class.

But the true American ideals that supported Lincoln have rallied again to the defense of our Union. We have thrown the challenge back at the enemy—the labor monger, the Jew-baiter, and the race agitator. We have done it as a people united, fighting and working on a solid front, as one people with one ideal.

Our Union must emerge victorious again "with liberty and justice for all."

To that end we must work as one so that "the government of the people, by the people and for the people shall not perish from the earth."

PERSHING PTA

Mrs. Mildred Rasor, president, called the regular monthly meeting of General Pershing P. T. A. to order, Tuesday, February 2, at 2 p. m.

The pledge to the flag was led by Mrs. Constance Filippo, citizenship chairman, and was followed by the reading of the Collect, by Mrs. Vera Cerrito.

Mrs. Frances Haussler made a report on the theatre party given for the entertainment of the graduating class. Mrs. Haussler and Mrs. Ruth Canier acted as hostesses at the affair.

Mrs. Pansy Montano was appointed, by Mrs. Rasor, to be in charge of the popcorn sale, Friday, February 19. The sale will take place during the children's lunch hour.

It was decided by the ladies of the unit, to close the school cafeteria the last Friday in February.

Plans for a galosh exchange were discussed by the group. It was decided to have one immediately after school, February 15. Mothers are asked to bring in used raincoats and galoshes and exchange them for larger or smaller sizes, according to their needs.

At the close of the business session, the program was turned over to Mrs. Marge Woodside, Founders Day chairman. Mrs. Woodside arranged an impressive candle lighting ceremony, along with a short play.

Guest speaker of the afternoon was Mrs. L. G. Owen, first president of the Seventeenth district. She presented an interesting talk on the organizing of the Seventeenth district, C. C. P. T. in San Mateo county.

Past presidents of the local unit were honored guests at the afternoon affair. Those present were: Mrs. Sadie Welsh, Mrs. Ann Eason, Mrs. Marge Woodside, Mrs. Ilda Marquis, Mrs. Virginia Davidson and Mrs. Nora Clifton.

As the meeting was adjourned, members and friends met for refreshments. The goodies were served, under the chairmanship of Mrs. Sara Nordgren, from tables beautifully decorated in red and white. A huge cake formed the centerpiece.

FARMERS MEAT COMPANY

TODAY'S MEAT PROBLEMS

Nutritionists include meat among the "must" foods in the diet to make America strong, and advise that meat should be eaten at least once each day. The value of a well-fed civilian population has been expressed by Dr. Louise Stanley, Chief of the Bureau of Home Economics, U. S. Dept. of Agriculture, who says: "Fighting forces are not supported by a poorly fed population on the home front."

Following are suggestions from a recent release for housewives who wish to get the most from the present available meat supply:

1. *Be sure that it is stored properly to prevent waste.*

2. *Cook meat at a low temperature to avoid loss in shrinkage.*

3. *Make the best possible use of left-overs, and use ingenuity in making meat purchases go farther.*

THE FARMERS MARKET is doing its utmost to insure your purchases of sufficient quantities of this important food.
